ABOUT ME

Hi there, I'm Omar Kashlan.
I have a lot of experience in the field of data entry, web development (front end), video design and editing, and many other experiences related to computers and remote work.
I graduated with very high grades, ranking second in my university, and I look forward to gaining more experience and knowledge.
I am committed to delivering high-quality work and exceeding expectations, and I am excited about the opportunity to bring my skills and experience to a new role.
In general, I am very looking forward to be distinguished in what I do and I will be at the best level I can present.
